If you're planning to run a pub you'll need a Personal Licence. If you don't already have one, you should start making enquiries to take the one day course and exam to get the Award for Personal Licence Holders (APLH). For information on getting a Personal Licence and training courses available, please look at www.wellsandco.com or phone us for the relevant details.

PEAT

You will also need to complete the online BII Pre-Entry Awareness Training (PEAT) course, which has been introduced to help prepare new licensees for taking on their own pub. The Banbury Cross - Banbury

Location

Located in the heart of Banbury town centre which is the main town serving North Oxfordshire. It has a population of approximately 40,000 people, there are lots of independent shops as well as the big chain stores and a traditional market in the week. The pub is located off the big cobbled market square bustling with shoppers and visitors.

Property

The property is a 3 storey building with an arch way which leads to all trading areas, the pub has two bar areas, the front bar being the main drinking area for games and sports with approx. seating for around 40 people, there is a second bar area / function room at the rear of the pub which also leads out onto the patio area which has additional seating areas. There is a kitchen area in-between both bars, however currently the site does not offer food so there is scope to introduce an offer.

Domestic accommodation consists of 4 bedrooms, lounge, kitchen, bathroom and separate WC, plus two attic rooms.

Business Potential

There is great opportunity here to carry on the already very popular music and entertainment scene, and also to develop the wet trade by introducing real ales and a food offering to drive footfall, particularly at lunchtimes.

Suitable Applicants

Suitable applicants will need to possess the creativity and drive to progress the pubs already established and strong offer in a competitive marketplace. Experience of working in a busy town centre pub with solid commercial and financial skills are key for a thriving business of this size.
