Application Process

Personal Licence

If you're planning to run a pub you'll need a Personal Licence. If you don't already have one, you should start making enquiries to take the one day course and exam to get the Award for Personal Licence Holders (APLH). For information on getting a Personal Licence and training courses available, please look at www.wellsandco.com or phone us for the relevant details.

PEAT

You will also need to complete the online BII Pre-Entry Awareness Training (PEAT) course, which has been introduced to help prepare new licensees for taking on their own pub. Applicants will be asked to provide evidence that they have completed the course before they can be offered a pub. Details can be found online on the BII website at www.bii.org/peat.

To make an application for this business opportunity, please complete an application form and return it to us as quickly as possible. When we've had a chance to consider your application, you may be invited to attend an initial interview. This will give you and Wells & Co. the chance to learn more about each other. You will also have the opportunity to ask any questions you have.

Business, Finance & Marketing Plan & Second Review

If your initial interview is successful, we'll ask you to prepare a business plan for the pub for presentation at a 2nd interview. You'll need to include your ideas for developing the pub's potential and must also include the source of funding for purchasing the business and any developments that may be needed.

Appointment

If your application is successful, an offer will be made and confirmed in writing. This will include the legal position or 'Heads of Terms' of the appropriate agreement. You'll be expected to attend our five day retailer induction course, Wells & Co. Induction Programme. The Beehive - Deanshanger, MK

Location

Deanshanger lies just north of the Buckinghamshire border. The business is located on the main through road in the heart of Deanshanger, a quaint village and civil parish northwest of Milton Keynes. Five miles north-east of the town of Buckingham, six miles west of the major town of Milton Keynes, and 50 miles north-west of London.

Property

The Beehive is a detached two story property. The exterior is brick with a tiled roof, ample garden space with a temporary marque seating upto 30 covers, smoking provision and car parking for 12 vehicles.

The pub is a one bar operation with 30 covers which are serviced by a good sized catering kitchen, walk in chiller, and a ground floor cellar. The private accommodation consists of 3 bedrooms, a lounge and bathroom/toilet.

Business Potential

With the current business trading wet only, there is great potential to increase weekly sales by implementing a traditional food offer and building on the current weekly schedule of activities and targeting consumers in the neighbouring villages and towns. In addition, there is also a great opportunity to maximise wet trade.

From previous experience, based on the style of operation and the location, we would anticipate that the Beehive has the potential to reach a fair maintainable turnover of £287,463 net per annum (£6,634 gross per week) with an 95/5 split. Please note that these are estimated figures which are for guidance purposes only.

Suitable Applicants

The Beehive would suit an experienced, community-focused operator with the drive to maintain the pub's current high level of footfall via an extensive weekly activity programme. Strong commercial and financial skills must complement the commitment to providing fantastic hospitality. Catering know-how would also be advantageous.
