Personal Licence

If you're planning to run a pub you'll need a Personal Licence. If you don't already have one, you should start making enquiries to take the one day course and exam to get the Award for Personal Licence Holders (APLH). For information on getting a Personal Licence and training courses available, please look at www.wellsandco.com or phone us for the relevant details.

PEAT

You will also need to complete the online BII Pre-Entry Awareness Training (PEAT) course, which has been introduced to help prepare new licensees for taking on their own pub. Applicants will be asked to provide evidence that they have completed the course before they can be offered a pub. Details can be found online on the BII website at www.bii.org/peat.
